- **CSA certified NEMA12 as a complete assembly**
 - If you don't use a N12 fan in your N12 enclosure the enclosure is de-rated
 - Some competitors only certify fan motor
- **NEMA 3R/4/4X with Optional Rain Hood accessory**
 - Must use Rittal Fans and Filters to achieve rating
- **Diagonal air flow technology for higher volume, more consistent cooling**
- **Tool-less installation**
- **Quick and easy filter mat exchange**
